

Certificate of conformity of the factory production control

1071– CPR – 1046

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Huntonit Sutak

Huntonit Sutak is a hard wood fibre board with nominal thickness 3,2 mm and density $> 900 \text{ kg/m}^3$. The board meets the requirements for general purpose boards for use in humid conditions technical class HB.H according to EN 622-1: 2003, Table 1 and 2, and EN 622-2: 2004, Table 3.

Placed on the market under the name or trade mark of

Byggma ASA

Postboks 21, 4701 Vennesla

and produced in the manufacturing plant

Huntonit AS

Venneslavegen 233, 4708 Vennesla

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 13986:2004+A1:2015

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 14.06.2004 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body, and latest until 01.02.2030.

The certificate is valid provided it is listed on www.sintefcertification.no.
